Why Buyers Choose Us

60+ Years

Three generations of woodworking experience in the founding team.

Development support for structure, material, color, finish, logo and packaging.

Flexible Orders

Samples, small trial orders and mixed-product loading can be discussed.

Quality Control

Inspection of incoming materials, production processes and finished goods before shipment.

Stable Production

Wood processing, production and delivery scheduling are managed at our Dalian base.

Buyer Verification

Responsible-sourcing and social-audit documents are available to qualified buyers.

When opened, it forms a temporary tabletop for a range of outdoor uses.

Custom logo, surface finish and packaging available

Can be paired with HL-NL02

Nianlun Outdoor Living Collection

Nianlun Folding Table

Product No.: HL-NL02

Material

North American black walnut / Manchurian walnut and birch

Key Specifications

Folded: 37.7 × 54.5 cm

Open: 37.7 × 43.2 × 34 cm

Load capacity: 20-30 kg

Product Features

Space-saving folding structure

Integrated lantern-pole opening

Custom logo, surface finish and packaging available

Nianlun Outdoor Living Collection

Nianlun Compact Camping Table

Product No.: HL-NL03

Material

Manchurian walnut and birch

Key Specifications

Folded: 37.7 × 54.5 cm

Open: 37.7 × 43.2 × 34 cm

Load capacity: 20-30 kg

Product Features

Easy to transport and store

Integrated lantern-pole opening

Custom logo, surface finish and packaging available

Dashu Collection

Dashu Folding Chair

Product No.: HL-DS01

Material

Birch marine plywood

Key Specifications

Folded: 80 × 40 × 2 cm

Open: 40 × 46 × 72.5 cm

Seat: 43 × 24.3 cm

Seat height: 41 cm Load capacity: 150 kg

Product Features

Flat-pack design improves logistics efficiency

Reinforced structure for stable use

Custom logo, finish and packaging available

Dashu Collection**Dashu Folding Stool**

Product No.: HL-DS02

Material

Birch marine plywood

Key Specifications

Folded: 40 × 60 × 2 cm

Open: 40 × 43 × 45 cm

Seat: 28 × 34 cm

Seat height: 40 cm Load capacity: 100 kg

Product Features

Flat-pack design improves logistics efficiency

Reinforced structure for stable use

Can be combined with products in the same collection

Dashu Collection

Dashu Storage Carrier

Product No.: HL-DS03

Material

Birch marine plywood

Key Specifications

Overall: 47 × 24 × 59 cm

Interior: 40 × 17.3 × 39 cm

Product Features

Stores up to five folding chairs or stools

Integrated handle for easy transport

Raised base increases ground clearance

Dashu Collection

Dashu Modular Large Table

Product No.: HL-DS04

Material

Birch marine plywood

Key Specifications

70 × 45 × 40 cm

Product Features

Quick assembly without complex tools

Structure designed for stability and load-bearing
Engraved patterns and brand marks available

Dashu Collection

Dashu Modular Small Table

Product No.: HL-DS05

Material

Birch marine plywood

Key Specifications

42.5 × 22 × 18 cm

Product Features

Quick assembly without complex tools

Integrated lantern-pole opening

Can be combined with products in the same collection

Bar Stool

Product No.: HL-01

Material

Manchurian walnut

Key Specifications

48 × 39.5 × 72.5 cm

Seat: 48 × 9 cm

Product Features

Nestable for storage and suitable for commercial projects

Reinforced structure for stable use

Suitable for hospitality, retail and commercial spaces

Luoye Collection

Luoye Storage Box

Product No.: HL-LY01
